| Description: | Amruta Mangale's enterprise, M/s Hindavi Solution Private Limited, manufactures a wide range of adhesives and glues, which are sold both in India and abroad. The international jury, while presenting her the award in a virtual event on 20th November, 2020, was impressed by Amruta's leveraging of technology, continued focus on R&D and employee retention during COVID-19. Amruta came out as an inspiration to all the young people starting their entrepreneurial journey. |
