| Turnover: | Rs. 85 Lakhs |
| Employment: | 47 |
| Mentor: | Dr. Shivajirao Thobare |
| Description: | <p>Suraj Apshinge, descending from an agricultural family and lower middle class, his financial background always saw the burden of expenses and value of money in his young age. Due to high agriculture inputs and heavy losses due to atmospheric conditions and small agricultural land with low fertile soil. So, the family aimed to educate their children for a traditional job for a stable income. Suraj Apshinge worked hard and he became a successful entrepreneur.</p> <p>Driven by his passion to empower farmers, Recognizing the demand for equipment in the sector, Suraj signed contracts with various companies and started to supply the required equipment through his venture.</p> <p>To expand his company operations, Suraj sought financing and guidance. He struggled for 1.5 years to expand his operations but was disappointed at every bank door.</p> <p>Through the Bhartiya Yuva Shakti Trust, he received the necessary support in terms of taxation, compliance, and project report preparation. With the trust's assistance, Suraj secured a term loan and cash credit from Bank of Maharashtra.</p> |
