<b>Description:</b>	<p>Mangalmurti Hastakala Gruha Udyog is a Proprietor Company. I have incorporated / formed an entity named Mangalmurti Hastakala Gruha Udyog in January, 2019. And want to expand the existing Indian Handicrafts Manufacturing activities. I am active in this field since last many years, and current expansion is an outcome of prolong experience and future probable opportunities. As stated in earlier points, business is currently active in Satara (Karad), as a Manufacturing (Indian Handicrafts Manufacturing) and associated with a well-known brand in this field. The driving force behind every business is increased sales and high profits. Businessmen should be confident about the product they are selling as well as their own ability to successfully, gain the trust, arouse an interest and eventually convince them to try a new product. I am having all such qualities inherently and were able to develop the same during the business course of their other respective businesses. Convincing a prospective customer to buy a product is not an easy task. Selling is an art and requires patience; applicant is skillful in such task &amp; it can be considered as a plus point for an entity.</p>
