Employment:	3
Mentor:	Mr. Ramesh Saini
Description:	<p>Lal Chand, a visionary entrepreneur, began his journey as a shoes manufacturer in Neemkathana. Observing the prevalent issue of vendors selling shoes at high prices with low quality, he identified an opportunity to make a positive impact on the market. Lal Chand decided to start his own shoes manufacturing business with a focus on providing high-quality footwear at affordable prices.</p> <p>By entering the market with this mission, Lal Chand aimed to disrupt the existing trend of overpriced and low-quality shoes. His commitment to offering superior products at reasonable prices not only addresses the concerns of customers but also promotes fair and accessible options in the local community.</p> <p>Lal Chand's business is likely to have a positive impact on both consumers and the local economy. Customers benefit from the availability of affordable yet high-quality shoes, while the local community gains a reliable and ethical source for footwear. This venture aligns with principles of social responsibility and entrepreneurship, making Lal Chand a key player in improving the accessibility and quality of shoes in Neemkathana.</p>
